

Heads or tails

What you need: a coin.

How to play:

- Select one pupil to choose each time if they want the class to be heads or tails.
- Teacher tosses the coin and if it lands on the side the class called they gain 1 point.
- If the coin toss does not land on the side they called the class must complete 10 squats.
- The game is complete once the class have won 10 coin tosses.
- Option to change the exercise each time.

**Are you
feeling lucky?**
